GINA MAIER VINCENT

a Transformation Expert

has been stretching women's personal boundaries since 2003. She founded Blissed-Out, Fit & Feisty, the parent company, in 2017 to help women discover their inner beauty. More recently she launched Exquisitely Aligned the 3-step strategy she discovered while advocating for her husband's future and that of their family. Now, her one-on-one work is the destination for the woman who is ready to live her finest future: life on her own terms, making her bigger impact, and shining unapologetically lighting the way for others. She hosts the Exquisitely Aligned podcast and appears on shows around the world.
